

# FLEXIDOME VR Dummy Camera

www.boschsecurity.com

**BOSCH**

Invented for life

- ▶ Identical look-and-feel to FLEXIDOME Vandal Resistant camera family
- ▶ For indoor and outdoor installations in all weather conditions
- ▶ Fits same mounting accessories as FLEXIDOME camera family

The FLEXIDOME VR Dummy camera is a life-like imitation of the FLEXIDOME Vandal Resistant (VR) camera family. The dummy camera can be flush mounted, or surface mounted using the separately available surface mount box (VDA-455-SMB-IP).

## Certifications and approvals

| Region | Certification  |
|--------|----------------|
| Europe | CE accessories |

## Installation/configuration notes

Flush-mount dimensions

Surface-mount dimensions (with separately available VDA-455SMB-IP)

## Technical specifications

### Construction

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Dimensions (D x H) | 158 x 124 mm (6.22 x 4.89 in)                    |
| Weight             | 0.565 kg (1.25 lb)                               |
