

## Revoke - Product Discontinuation Statement

This document serves as a revocation of an earlier sent discontinuation of this accessory.

The following product is covered by this statement:

| Revocation of Discontinued Product    |
|---------------------------------------|
| AXIS T94A01C ATTACHMENT KIT(5901-301) |

This product was earlier discontinued since it was thought not to have been compatible with active cameras. Accessory still compatible with the selling Q6135-LE and Q6128-E.

Lund, Sweden, May 25, 2022
